How to find ICON.net Limited

Whether you're visiting us by car or train, our offices are easy to find right in the very centre of Gloucester overlooking the cathedral.

If you are travelling by car we are well placed for public car parks, several of which are within just 2-3 minutes walk - notably the surface car parks at Westgate Street, Ladybellegate Street and Park Street, and the multi storey on Longsmith Street.

Other car parks within 10 minutes walk include St Oswald's, East Gate Shopping Centre, Kings Square or the car park in Gloucester docks accessed via Southgate Street.

If travelling by train we are about 15 minutes walk from Gloucester railway station or you may prefer to simply get a taxi from right outside the station.

Friars Court is just off College Street to the left and immediately in front of the main entrance gates facing the cathedral and grounds; our offices are clearly signed and located about 20m along a paved drive. College Street itself is a short street less than 100m long running off Westgate Street.
